

CHARITABLE PURPOSE

Transporting patients to Shriners Hospitals for Children is the noble purpose of our Order. While the primary Shriners facility that Almas Shriners is associated with is located in Philadelphia, PA, it is sometimes necessary to fly patients either on commercial flights or on special medically equipped private flights to Shriners burn centers located in Boston or Cincinnati. Such transportation can sometimes be on short notice and can be very costly. The **Almas Transportation Fund** has been established to pay costs of transporting patients in the Washington DC Metropolitan Area to Shriners Hospitals for Children, regardless of destination.

The **Almas Transportation Fund** is a recognized charity under Internal Revenue Code Section 501c(3). *This makes all contributions to the **Almas Transportation Fund** tax deductible.*
