The Director's Staff of Almas Shrine Center Present Their

2010 White House Christmas Ornament Sale

The 2010 White House Christmas ornament honors the twenty-fifth president of the United States, William McKinley, and celebrates the role of music in the traditions of the White House. The McKinley administration (1897–1901) is remembered as a time when the nation moved beyond its continental boundaries to become an international power. The American people idolized McKinley during his presidency, so suddenly cut short by an assassin's bullets six months into his second term.

In celebration of the nation's patriotic mood as the century turned, the illustrations commissioned¹ for the 2010 ornament feature festive, colorful scenes from the annual Army Navy Reception at the White House in 1900. The front face of the ornament depicts members of the United States Marine Band performing on the snow covered North Drive as arriving guests disembark from their carriages. The reverse side of the ornament shows the band playing patriotic airs for President and Mrs. McKinley and their party in the flag bedecked splendor of the East Room. It was in this High Victorian East Room that the McKinleys began the era of "musicales" (receptions with music as the leading feature) at the White House, a tradition that continues to this day.

Cost: \$21.00 each (includes sales tax)

(For an additional charge of \$6.00 we can mail from 1 to 3 ornaments to you.)

Hospital Happenings

As many of you know, I regularly attend the Uniformed Units and Clubs meeting and fill everyone in on the latest at the Philadelphia hospital.

For those who have not heard, we are one of the four hospitals in the Shriners system that has started to bill third party medical insurance providers. It is intended that we will learn and set the standard for the other hospitals. Contrary to the old practice of scheduling considering the convenience to the family or Nobility, every effort will be made to limit stays to the minimum medically essential. To do otherwise might appear to place Shriners Hospitals in the position of appearing to favor patients from a particular state or states. No more in one day and surgery the next unless medically required.

I hope many of you will be attending the Expanded Board Day at the hospital on 23 September. Tours are included for those who desire. Check the schedule at the bottom of this page and RSVP to Stephanie Spagnola at 215-430-4178.

It appears that some of the Nobility have been offended by the attention paid to their age and are no longer involved with patient transportation. Have you been turned off by the attention paid to your age? If so, please don't be. Although it may seem that the cost of insurance is the dominant factor and that adequate consideration of driver availability is lacking, patient safety concerns are the cause of this action. I haven't been as involved as I once was and want to get back to doing my share. Hope to see you on the road again!

PS: Charitable Giving

Have you heard? Equity accounts can be established that can be drawn from and the remainder goes to the charity of your choice. I think you get credit for the donation in the year you established the account but you should consult your tax adviser. Shriners Hospitals for Children is reportedly among the few charitable institutions allowed to receive tax deductible contributions in this way.

DONOR RECOGNITION

The photo above was taken at a recent ceremony. I was honored to be asked to represent the estate of one of our Nobility that had made a very generous contribution to our philanthropy. In preparing to take part, I learned that Noble Louis H. Garner had moved to the Los Vegas, Nevada area many years ago and could find no record of his ever being involved with any Almas Shriners unit or club. It is apparent that he had pleasant thoughts of the fraternity, Almas and our hospital system and did what he could to support it.

The next time you visit the hospital please take the time to visit the Philanthropic Society Wall. You will see plaques honoring the generosity of many including Noble Garner and two other Nobles and their Ladies who are still laboring with us.

Almas Screening Clinic

Well, we did it again, our annual screening clinic was held on Saturday, August 7th at St. Ann's Catholic Church in NW Washington, DC. With

the support of the members of the Latin Club and

the Peruvian Shrine Club at the clinic it worked out fantastic. Members of the Almas Clown Unit helped to keep the children entertained with balloons, games and funny faces. Our Potentate, Ill. Sir Paul Friedlander was on hand to help and support this event also. There were three children who were examined by our Almas Physician, Dr. Z

Chris, with all the paperwork completed it will be sent

to the Philadelphia Shriners Hospital for Children for review. I hope that next year we will increase the numbers of children. I know that we can do it, all it takes is a little work from each member to support the screening clinic.

Again this year that staff at St. Ann's did all they could to see that all our needs were met. On behalf of Almas Shrine I thank them for all that they do for us each year.

Yours in the Faith
Anthony S. Murray, P.P. Chairman

Almas Golf Tournament

We started off slow but thanks to our Corporate Sponsors, Tee Sponsors and our Golfers we had a great day at Cross Creek Golf Course. The rainstorm that came through in the early morning hours had us a little worried that we

may have to look for a rain date. But by the time

we got to the course the rain had stopped, the sun was shining and everyone was ready to tee off.

We ended up with 19 golfers, but what a fun time. Ill. Sir Len Proden SGIG and his team took 1st place with a 61 for the round, Jeff Schilling and his team came in 2nd with a 63 for the round and Joe Colangelo and his team took 3rd place with an eagle on the 1st hole, that put Ill. Sir Lonnie Ramos and his team out of the race, both teams had a 64 for the round.

The General Manager, Brian Boltz and his

staff did an outstanding job. Following the round of golf they put together a great lunch for everybody to enjoy. They met our every needs and went the extra mile for us. They said that they are looking forward to working with us next year.

Yours In the Faith
Anthony S. Murray, P.P.
Chairman

Daughters of the Nile

I hope that everyone had a safe and enjoyable summer. June 13th to June 17th, 14 members of Samla Temple traveled to Indianapolis, Indiana for the 94th Annual Supreme Session of the Supreme Temple Daughters of the Nile. It was such a wonderful experience and I was so honored to have so many members there. Many of the members participated in the Mass Drills and all of them participated Tuesday evening in the Walk on to honor their Queen. We were also very honored to have Past Queen, Kathlene Garnett, Supreme Princess Zenobia with us. We also had two gentlemen traveling with our group. My husband Glen and Royce Watson, P.P. Royce also served this year as President of the Gentlemen of the Creek. Before our Business Session opened on Thursday morning they made a presentation in the amount of \$8,000.00 to the Supreme Temple. I want to thank all the members who attended and hope they had as enjoyable time as I did. Past Queen's Diana Dodd, Edna Gore, Helen Pearson, Hazel Smith & Christine Watson. Princesses Almas Jean Bridegum, Michelle Brink, Pat Burrows, Angela Case, Marie Johnston, Edna Leimbach & Roberta Ridenour.

We have a busy fall ahead of us. Our Supreme Visit is October 29th. I hope if you are a member that you will be able to attend. We will have a banquet following the Supreme Visit.

Thank you to everyone again for all of the support I have received.

Almas Uruguay Shrine Club

After evaluating other potential groups for assistance, the Nobles in Uruguay elected to assist the “Franklin Delano Roosevelt” School located in Montevideo (a non profit private institution devoted to assisting 81 handicapped children ages 6 to 18 years old).

Attending to that School and being a beneficiary of their assistance is free for those students with either physical or cerebral diseases and most of the attendees come from families who struggle to make it to the end of the month with their meager salaries.

During the day the children are taken care of by professional teachers who specialize in a very innovative way of teaching, recreation and recovery for each student. Also, and as a part of their daily routines, they receive three very healthy meals.

Another benefit for the students is that a School Van comes to their home to pick them up in time for them to get to the school by 9:00 am and drops them off after 5:00 pm when the daily classes finish.

However even with the assistance they are receiving at present, they have extremely urgent economic needs.

Proposed by the Board and approved by the Uruguayan Shrine Nobility, Almas Uruguayan Shrine Club, committees have responded to provide immediate assistance such as:

1. Making the necessary contacts with the proper Government of-

14 - almas alibi

ficials to expedite the decision making process regarding subsidies.

2. Contacting key actors in the Uruguayan society at different levels, in order to acquire both monetary and useful donations.

3. Encourage non-members of the Nobility, to donate a 32” LCD TV set, a DVD player, some DVDs with films for the children. Other non-members also made all the arrangements and paid for the children to experience live shows with clowns, magicians, pets and puppets.

4. Arranging meetings between the Uruguayan Nobility “Medical Advisory Committee” and a team of specialized Medical Doctors of the School to review and categorized the most urgent cases of the children who may qualify for application for treatment in the Shrine Hospitals.

5. Last but not least, even nowadays, we are in the process of working with the “Franklin Delano Roosevelt” School authorities to identify new ways of assistance.

As you can see no economic assistance has been given by the Club (since we do not have enough money to do it), nevertheless, we managed to find other ways to help them and make a difference in their day to day life. The Nobility of Uruguay believe that as Nobles we can do a lot to support these children in need, when medical assistance is not the only kind of assistance they are lacking.

Yours in the Faith
Carlos Frachelle
