Potentate's Message

One third of this year 2014 has gone by and I'm waiting for spring to stay. I hope all enjoyed their holidays-Palm Sunday, Passover, Good Friday, Easter, Earth Day to name a few.

April had the regular meetings as well as the Screwballs Installation Dinner with Len Kahn receiving a plaque and a thank you for serving as President. The National Cherry Blossom Parade with Almas's fire truck driven by Ill. Sir Ken Collins, P.P., narrator, Jay Whitcomb and clowns from Virginia, Pennsylvania and Rhode Island all directed by Walter Simon, Boss Clown. We were a hit with the parade watchers both young and old. Many of the clowns are active U.S. Armed Forces members who brought their families with them. We all had a great After Parade lunch with true Shrine fellowship and they promised to be back to participate next year. Thanks to all for their help.

Almas Shriners Annual Easter Egg Roll was a success. Kids, grand kids and hospital patients met the Easter Bunny in high fashion. Thanks to the Whetzels, Harrisons, Hasslers and Fergusons for all their help. (see pictures on page 13.)

Our Imperial Potentate, John H. Cinotto and Lady Margaret invited our elected divan to dinner on Monday April 21st. as part of his visit to Washington for the Joint Board Meeting. Our own Anthony, S. Murray, P.P. Aide to the Imperial Potentate acted as Master of Ceremonies.

The month of May is full of good activities. We are adding parades and activities each day. There will be a Special Business Meeting on May 1st before the Uniformed Units Meeting. Please call the Temple Office to make reservations for dinner. Our Peruvian Shrine Club is holding their Installation and Mothers Day celebration on May 10th. The Temple Memorial Service will be held on Sunday, May

18th. The Mini-Motors are participating in the Collington Parade in Bowie, Maryland on May 24th and the Rockville Parade will close the month on April 26th. Please try to join us at as many of these activities as your time will permit.

Each month the Elected and Appointed Divan, Unit and Club heads are requested to write an article for the alibi. Write with courage and character and grit. It is not just a matter of getting facts straight, do not lose your idealism. Let your members know what you are doing and where you are going. Keep them informed about what their leaders are doing.

It is hard to generalize about people. Our staff at Almas is small. I have learnt that there is power in small teams. When each member has the ability and opportunity to contribute in a meaningful way, they are exponentially more productive. I am working with our Almas Team to be a well-spring of entrepreneurialism.

Change is hard. Every day I get told "That's the way it has always been or done" and there is no romantic image promoted about how its done or created. The reality is it is a business. It is very structured and process driven. In her book, Haunted Empire, Yukari Iwatani Kane says "Morale has languished" at Apple since Mr. Jobs died in 2011. At Almas in all of our rentals/events we set our bar for excellence really high and always strive to make our services perfect. We are humble Nobles but we place emphasis on success. Moral at Almas is high.

I repeat what I said in last months message in the alibi. You are invited to the Board meetings held on the fourth Monday of each month at 7:30 pm at the Temple.

Every noble is on the membership committee. The Divan uses the business concept and model of a Board of

Directors. The leadership's emphasis is on open communication and shared responsibility and authority which has a direct correlation to increased membership and the positive culture of Almas Shriners. We need each noble's input, suggestions, comments and ideas. I look forward to hearing from you.

History teaches us lessons, which if properly heeded, help us in the future. We will improve the good and discard the bad. We have a strong foundation on which to build.

Yours in the Faith

John R. Darnisau

BCC-Northwest Shrine Club

Nobles All:

On behalf of the BCC-Northwest Shrine Club we would like thank everyone for helping make the Bull and Oyster Roast a big success. We had almost 100 in attendance.

The weather was good when we got there, but turned lousy as the day progressed, but fortunately it was just messy. Hopefully this was our last bit of winter.

Please continue to keep Noble Don Frear in your thoughts and prayers.

Our regular meetings will continue on the fourth Wednesday at the Rosensteel Knights of Columbus Hall. The next meeting will be on May 28th at 6:30 pm. The Secretary will be sending out notices as a reminder soon.

We are looking forward to seeing everyone.

Walter Simon
Jay Whitcomb

Assistant Rabban

Greetings Nobles.

I had the privilege of attending the Assistant Rabban Leadership Conference in Tampa last month. It was a very informative gathering of Assistant Rabbans from all over the country. There were 25 from the Mid Atlantic Shrine Association. It provided the opportunity to discuss what other Temples are doing and to exchange ideas. Believe it or not, there are Temples that have developed fund raising programs that are bringing in thousands of dollars. Some programs are beyond the capability of a Temple the size of Almas, but there are others that would be possible if we were willing to roll up our sleeves and do some hard work. I will be bringing some of these ideas to the Board of Directors in the near future.

I also traveled to Altoona, Pennsylvania, accompanied by Noble Bill Bridgum, to attend the Jaffa Potentate's Reception on March 29. We met a number of the members of Jaffa as well as several other Temples from around the area. We enjoyed a wonderful dinner and program that evening. Jaffa has a very large and elegant Temple. If anyone ever has the opportunity to visit, you will find the Nobles very gracious and willing to show you a great time. I am looking forward to visiting several other Temples this year.

Fraternally,
Fred Evans

Almas Yacht Club

Noble and Ladies

Thank you for your support at our last meeting. We had a very nice crowd at Alfio's in Chevy Chase.

On the weekend of April 5th three couples from our Yacht Club attended the Crescent/LuLu combined Commodores Ball in Warrington, PA, just outside Philadelphia. It was a good get together. Yacht Clubs from Delaware, Fairfax, Virginia Beach and Long Island were also in attendance. There were 68 Nobles and guests there.

Don Wellen from Kena's Yacht Club was there to promote their upcoming Commodore's Pirate Ball on May 10th. We usually have a good turnout there. Dress will be pirate formal for the guys and wenches---AARGH!

Coming up we will have a tour of the waterfront and a fire boat demonstration on Saturday, June 21st. Additional information will be forthcoming on our August and October cruises.

Our meetings are on the fourth Thursday of each month. Hope to see you there.
All are welcome

Daughters of the Nile

Hopefully it is safe to say that spring has sprung here in our Nation's Capital! Seeing all the cherry blossoms in bloom is a refreshing change from a snowy winter.

Soon the Ladies of the Household will be packing their bags and heading to Omaha, NE for our Supreme Session. The 98th annual session of the Supreme Temple will be held June 1-5, 2014. Last year Samla Temple represented D.C. in many activities and ceremonies, including a performance by our patrol. We plan to repeat our strong showing this year, and as the saying goes, "We may be small, but we give it our all!"

The new officers have already been hard at work since our installation on March 16th. Several of us attended the Nile installations of the other "Potomac Area" temples, which include Baltimore, MD, Alexandria-Fairfax, VA, and Cumberland, MD.

Our Ways and Means chair presented many fun ideas at our April session, including a game night and picnic, so stay tuned for details. I am also happy to report that we voted to make the Radiology Project our special project again this year. We set the bar last year with just over \$1,000, so let's see if we can beat that this year!

Nile Love,
Rachael Sunderland

Krazy Klown Korner

HELP WANTED AND NEEDED!!!! DON'T BE AFRAID TO KLOWN AROUND

The Klowns, like the Marines, need a few good men, ones who like to make funny and entertain kids and adults. Due to several losses in the ranks, we need and can use more Klowns. We have several activities scheduled during the year and we need help! We are in the process of trying to reorganize, but we need more active Klowns.

At this writing, we have taken our fire truck and Klowns to be in the Cherry Blossom Parade. There were seven klowns from Rhode Island, six from Kena and only 4 from Almas. What a great time. You really missed a great parade.

It was a shame that we could only field four klowns but we do need a few more active klowns. Those of us that were there had a very enjoyable time meeting with other units and the crowd in general. Please do not let us always be the little guys on the block, help make us strong.

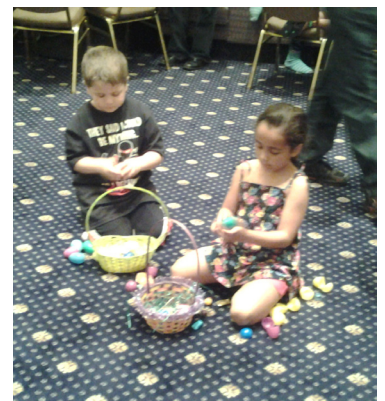

As was said before, all the klowns love parades and activities and have more fun, no matter what the weather may bring. We also enjoy getting together with klowns from other jurisdictions cause we never know what will happen- those guys are always clowning around. We really would like to have your smiling faces join the Unit. If your are in another Unit or Club and would be interested in suiting up for a parade where it would not impact on your Unit or Club, we would love to have you join us at such times. The more Klowns, the merrier.

We are a unit where we can be Klowns in or out of costume and will admit the same. Call Walter Simon at 301-987-1663 or Jay Whitcomb at 301-989-0121 if you're interested. We can use your help.

**Shriners Hospitals
for Children®**

Our Commitment to Child Safety

Every year, approximately 17,000 children sustain lawn mower related injuries, approximately 1,200 children under the age of 16 endure spinal cord injuries and more than 1,000 children are burned due to accidents in the home. Shriners Hospitals for Children® is determined to decrease these numbers.

We have created convenient pocket-sized fact cards with information and recommendations for keeping children safe. In addition to these cards, we also have several materials available concerning spinal cord injury prevention.

Please visit our secure online ordering site, review these pieces, and consider distributing them in your communities. Working together, we can help ensure the safety of children.

Some Health and Safety Facts:

Backpack Safety

When a child's backpack does not fit properly, it can injure muscles or joints and lead to other medical issues.

An appropriate backpack is one that is:

- No wider than the user's chest
- Worn no higher than the base of the neck
- Worn no lower than 2 to 4 inches below the waist
- Supported by a waist or chest strap
- Made of lightweight material

Vitamin D Deficiency

Severe vitamin D deficiency is becoming more prevalent, causing devastating health problems, including improper bone growth.

To maintain a healthy level of vitamin D, consider :

- Increasing foods such as milk, orange juice and salmon into a child's diet.
- Finding a healthy balance between sun intake and sunscreen application.
- Including vitamin D, either in gummy or liquid form, in a child's daily vitamin intake (when age appropriate).

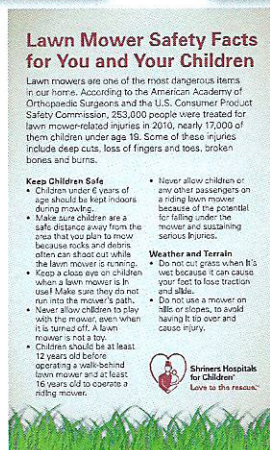

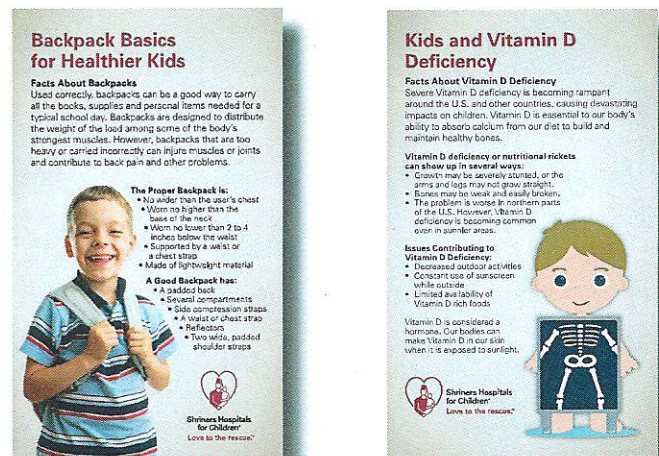

Lawn Mower Safety

In 2010, approximately 253,000 people were treated for lawn mower-related injuries, nearly 17,000 of them children. By taking precautionary measures, serious and sometimes deadly injuries can be prevented.

To ensure lawn mower safety:

- Children under 6 years of age should be kept indoors during mowing.
- Never allow children to play with the mower, even when turned off.
- Do use mower on wet grass as it may cause your feet to lose traction and slide.
