Dear Nobles of Almas

This past February I took a couple weeks off for vacation. Lady Ingrid and I traveled to Cartagena de Indias and Monteria, which are located in Columbia. While in Monteria. I met W.B. Miguel Ramon Villarreal Atencio who is an author, musician, poet and Professor of a state University. Thanks to him, I got a chance to visit the Grand Lodge Provincial de Cordoba, under the Serenisima Gran Lodge of Cartagena de Indias. In addition we visited the city of Barranquilla, which is where the Carnival party initiates on the Saturday before Ash Wednesday, with the Battle of the Flowers, which is the most important event of the carnival.

This carnival is a mix of our Rose Parade with a Brazilian carnival. The traditional float parade is composed of the best and most colorful creations. Just to give you an idea of the magnitude of this parade, it is a six-hour show of floats. A carnival Queen leads folk dances, marchers, dance groups, costumed groups and musicians. Barranquilla's Carnival slogan is: Who lives it, is who enjoys it (Quien lo vive, es quien lo goza.)

I would like to thank my friends and hosts, Tania Otero and Eduardo Padilla who made this all possible. Thanks for their company and warm hospitality, this was a trip of a lifetime.

While away, Chief Aide, Lonnie Ramos, P.P. and his Lady Ann hosted the Valentine's Party. I would like to thank them for the success of this party. Due to inclement weather, we had to cancel our Business Meeting. This meeting will be rescheduled for the month of March. The safety of our members is always a priority.

Lady Ingrid and I attended the Khedive Potentate's Ball, in Chesapeake, Virginia representing the Nobility of Almas. Illustrious Sir Elwood Paschal and his Lady Pat threw a really nice party. The decoration, ambiance, music and food were really great. I would like to thank Khedive's Potentate Illustrious Elwood and his lady Pat for being great hosts.

In the next few months, Lady Ingrid and I will be traveling to our counterpart's Potentate's Balls and Temple functions. In spring, I will be attending MASA, which will take place in Newark, NJ, Friday the 13th and 14th of March.

As a reminder, we will be having the Northwest BCC Shrine Clubs Bull and Oyster Roast on Sunday, March 22nd. We will also be having the Easter Egg Roll on Sunday, April 4th, the Almas Potentate's Ball will be on Saturday, April 25, please remember to RSVP by April 20th. We will be having the Potentate's Cruise, April 28th thru May 8th. Please also remember if you are planning to attend the Imperial Session in Houston, Texas, July 5th thru 9th, the Nobles will need to notify our Potentate.

Lastly and sadly, please keep your thoughts and prayers with the family of P.Q. Edna Gore who passed away, March 6th. Unfortunately, I will not be able to attend the funeral on March 14th, due to a prior commitment with Spring MASA in Newark, N.J. but Lady Ingrid and my daughter will be attending.

Sincerely Yours in the Faith,

Luis G. Cisneros

Almas Yacht Club

The Almas Yacht Club is alive and well, although it may seem like we had gotten lost. Our new Commodore, Mike Porco, is still trying to get his sea legs and set a course for the club. The Commodore's Ball and Installation of the new Bridge was held on January 17, 2015 at the Sheraton Hotel in Annapolis. Members from many of the Mid-Atlantic Shrine Yacht Clubs (MAASYC) attended the Ball. Thanks to all the members from Almas and our sister clubs who attended and gave support to this annual activity. The newest member joining

the Bridge for 2015 is Rear Commodore, Donald R. Ferguson, Sr., P.P.

We meet on the fourth Thursday of each month and all are welcome to join in our festivities whether you are a member of the club or not. We always manage to have a great time. We have been meeting at Almas Temple for the past couple of months and have enjoyed the meals served up by Catering Resources.

Our cruises for the year have not been firmed up, but information will be posted in the upcoming edition of the *alibi*. Everyone is invited to join us on these "cruises." The Almas Yacht Club will be sponsoring the Potentate's Ball on April 25, 2015 so come and join us in all the festivities. You are sure to have a fabulous time.

My first trip to the Shriners Hospital for Children in Philadelphia

My first visit to the Philadelphia Shriners Hospital was a very enriching experience. When I became a Shriner about a year ago, I know caring for children was the main philanthropic mission of the Shriners; but it wasn't until February 19 that I realized what our mission really meant.

We parked in front of the patient's house at 7:30 AM and the little seven year old appeared at the door with his Dad. I assisted the father in opening the door and folding his son's stroller. I remember having a strange chill. Once secured in his car seat, the little one started singing and before I know it super driver Don Holliday was already cruising on the highway.

A couple of hours later, as we entered Downtown Philadelphia ... OOPS!!! ... we missed one of Duper Don's many shortcuts. Once at the hospital, the kid and his Dad quickly went upstairs and then came the moment I had been waiting for - touring the hospital, meeting people and asking questions. But, first things first...the drivers lounge, where I had the pleasure to meet Nobles from many different areas including Virginia Beach. Boumi in Baltimore had more drivers.

Out tour guide was very knowledgeable and showed us several rooms in the building not usually shown to visitor.. shhh!!!.. We even got to see the new pharmacy area. One of my favorite parts of the building was the open area designed to mimic the outside world with a half car, a teller window, a playground, a sidewalk, etc. I also enjoyed watching the making of prosthesis which can be customized in many ways for the children.

We left Philadelphia around 2:30 PM, right before the afternoon traffic and made it back to Silver Spring before 6:00 PM. I really enjoyed this first trip and the company of Brother Don made it even more enjoyable. I now have a much better sense of what it means to be a Shriner and a stronger understanding of our mission.

Daughters of the Nile

Greetings from Samla Temple No. 51. This is my first time to address you as Queen of Samla Temple No. 51 for 2015. We held our Installation of Officers at Almas Shrine Center on Sunday, March 15th. Thank you to all who attended and supported our new line of Officers. I was Queen of Samla in 2010 and am really looking forward to being Queen again for 2015.

At our March session, which we had to reschedule due to snow, we welcomed two new members to our Temple. We hope they will enjoy being a part of our organization.

Thank you to the members of Almas Shriners for their continued support.

Nile Love, Frances Sunderland, PQ Queen Samla Temple No. 51 Samla51queen@gmail.com

Chief Rabban

Greetings Nobles,

As I indicated in the last issue, February was a month of many activities and functions. I took time to attend as many as possible. March was just as full of opportunities for the Nobility and April will be just as busy. As I look back on the variety of meetings and functions that took place, I must say that I am rather disappointed in the participation of these events. For a Shrine Temple who has hundreds of members residing in the local area, it is a bit discouraging to see only 26 people attend the Super Bowl Party. The Valentine Day Party had only 31 people in attendance and the last Business meeting had the most members present for quite some time. I do not know what the attendance at the various clubs and units is, but those that I have attended, the attendance was small.

As I write this looking into the future, I hope that the report of attendance at the St. Patrick's Day Party and the Easter Egg Roll as well as club and unit meeting attendance will be better than in the past. Your Temple and the activities provided are only as good and as successful as we the membership makes them. Many nobles put a significant amount of time and effort into planning and hosting these activities. If you have not taken the opportunity to attend a function catered by the new caterer at the Temple. I recommend you give them a try.

Hopefully each one of us will take stock of what Almas Shriners means to us. We joined the Shriners because we believed in its mission and programs, knowing full well that participation is the key to success. If your participation has been lacking, ask yourself why. Let's get back into the swing of things and support the Temple and its offerings as best as we can, I know that I am. This is not intended to be a sermon but just some food for thought.

Yours in the Faith, Fred Evans Chief Rabban

Be Part of Our Most Important Event of the Year: Imperial Session 2015

Shriners International's 141st Imperial Session is scheduled for Sunday, July 5, through Thursday, July 9, 2015, in Houston. Mark your calendars now for the most important event of the year, and get ready for an event jam-packed with Shriner-style fun for all ages. We invite you to bring your whole family along and make your trip to Houston a truly unforgettable summer adventure.

As we all know, when Shriners gather, thoughts of our beloved philanthropy, Shriners Hospitals for Children[®], are always shared. On Friday, July 3, one way everyone can help send Love to the rescue[®] for our patients is by participating in Walk for LOVE[™], which supports our health care system. And on Saturday, there will be opportunities to tour both the Galveston and Houston Shriners Hospitals and meet some of our patients and hospital staff. The tours are a wonderful chance to gain a greater understanding of the impact our health care system makes in children's lives every day.

The activities don't stop there – the Shriners' parade and block party will be on Tuesday night, and the Imperial Representatives Evening with the Texas Tenors on Wednesday night. And for those times when you might want to leave the kids at "home," there will also be a children's area with licensed daycare professionals to look after your loved ones up to age 14. Additional activities include a Lady's lounge and Units on Parade in Houston's renowned Discovery Green (just across the street from the hotel and convention center). After Session, you can join Imperial Sir Jerry Gantt and Lady Lisa and Imperial Sir Dale Stauss and Lady Cheryl for a cruise, which will depart from gorgeous Galveston Island.

Explore the City

Houston is a vibrant metropolitan area filled with activities and attractions to satisfy any taste. The city offers topnotch restaurants, world-class shopping, a variety of attractions and cultural activities, four professional sports teams and multiple entertainments venues. Houston is also home to Space Center Houston and NASA's Johnson Space Center; the 4th largest museum district in the country, which includes the interactive Children's Museum of Houston; the Houston Zoo; the Downtown Aquarium; and the Kemah Boardwalk and Entertainment Complex. Just south of the city you'll find Galveston Island, where they're on Island Time all the time.

The 2015 Imperial Session Highlights

Imperial Session will be held in the George R. Brown Convention Center, one of the largest in the country, which offers Southern hospitality with a cosmopolitan twist. The convention center has 1.8 million square feet of air-conditioned space, that has been designated for the exclusive use of Shriners International during our stay. Thanks to its prime location, outstanding restaurants, entertainment and sporting venues, and downtown's Discovery Park are all just a short walk from the convention center. Most of the Shriners' competitions will be held on site, and the location will also be the start and end point for the parade.

The Hilton Americas, the official headquarters hotel, is considered the crown jewel of the International Hilton chain and is conveniently connected to the convention center by two air-conditioned sky walks. Having nearly everything in one location will make it easy to participate in as many events and activities as possible, as will the fact that the business meetings will be suspended on Monday afternoon so that the temple representatives can watch their units perform during the competitions.

The hosts of the 141st Imperial Session, Arabia Shriners, the Texas Shrine Association, Imperial Potentate Dale Stauss and Lady Cheryl, and Deputy Imperial Potentate Jerry Gantt and Lady Lisa, are looking forward to meeting each of you this July for Shriners International's biggest event of the year – Imperial Session 2015 in Houston.

The journey of hope Supporting Transportation Assistance Programs for Our Patients and Families

Every family wants the best for their children. Every family hopes their children - and grandchildren - will always be healthy and strong, free of any complications. But sometimes things happen, and our littlest loved ones need expert, specialized medical care.

The best care for a child's complex medical issue may not always be available close to home. Because you want the best, you embark on The Journey of Hope.

First Lady Cheryl Stauss knows first-hand how hard it can be when a child is in need. Her young grandson has Prader-Willi syndrome, a rare genetic disorder that can have all sorts of complications and difficulties as time progresses, including the possibility of scoliosis. Should he develop scoliosis, the family would, of course want him to be seen by an expert in both conditions. We have such an expert in our Shriners Hospitals for Children® system – and First Lady Cheryl is comforted knowing that should her grandson one day need that expertise, he will be able to obtain that care, regardless of the distance involved.

Shriners Hospitals for Children has a long history of providing the answers, and the hope, families facing difficult medical situations need. Shriners Hospitals for Children have experts known for saying "yes, there is a way to help" when others have said no, or given up on a child.

Our 22 locations serve patients from around the country; more than 18 percent of Shriners Hospitals' U.S. patients travel to their appointments by plane. Everyone wants the best care for their children - no matter the distance - and that is why First Lady Cheryl's program, The Journey of Hope, will raise funds to augment the transportation assistance efforts for the patients and families of Shriners Hospitals for Children.

As the First Lady makes her visits throughout the year, she asks that donations be made to her fundraising program, The Journey of Hope, in lieu of personal gifts. For a donation of \$40, contributors will receive a bracelet with a bead fashioned as a suitcase, representing a journey. A sophisticated gentleman's tie can be obtained for a donation of \$30. Completed order forms may be given to the First Lady. Order forms, along with donations made payable to Shriners Hospitals for Children, can also be mailed to Shriners International Headquarters, First Lady's Program, Donor Relations Department, P.O. Box 31356, Tampa, FL 33631. Canadian order forms and donations may be sent to Shriners Hospitals for Children – Canada, 1529 Cedar Ave., Montreal, Quebec, Canada H3G 1A6. Additional order forms and return envelopes may be obtained
