Potentate's Message

Es Selamu Aleikum Nobles of Almas,

Where has the time gone? I can't believe it's already October! I hope everyone had an enjoyable summer, but it's time to "fall" back into the business of the Temple. I'm just returning from a very successful Fall MASA Conference in Virginia Beach. Once again this year, Almas shared a hotel and hospitality room with our Brothers from Kena Shrine Temple. My personal thanks to all Almas Nobles who helped out in making the hospitality room a great success.

I had the pleasure of watching the Almas Motor Corps do both the Obstacles & Drill Courses. They brought home 1st Place in both. Congrats to Noble Eddie Dixon and the Mini Motors Crew. The Almas Yacht Club brought home some trophies too, including 1st Place for their Parade Float. Congrats to all who labored for Almas in Virginia Beach. Job Well Done!!!

There was some good news on the MASA Leadership front as well. Ill. Sir Michael A. Gordon, PP was elected as the 3rd Vice President of MASA, and Ill. Sir Fred W. Evans, PP was installed as the Commodore of the MASA Yacht Club. We wish both Nobles well in their new positions of leadership.

I want to invite each of you to a special event on October 27th. Instead of the traditional Potentate's Ball, I will be hosting a Temple Halloween event for kids of all ages. I want to turn a night that is traditionally about the Potentate, into a night for kids of the DC Masonic Family.

The event will kick off at 6:00 pm with a traditional Trick or Treat for the children of the Temple, to include our patient families, and kids of the DC Grand Lodge. The Trick or Treating will turn into a traditional Halloween Party around 7:30 pm. I ask that all come in Halloween Costumes, and there will be awards for the "Best Dressed".

The event is free for kids 13 and under and \$25 per person for everyone else. Please come out and join Kyle and me as we celebrate the success that we have had this year at Almas.

Also, Almas will once again join with the DC Scottish Rite for another Joint Reunion/Ceremonial on November 2nd & 3rd at the DC Scottish Rite Temple. We will continue the discounted cost of joining Almas Shriners at \$100 which will include a Fez, and if you are the 1st line signer on 10 new petitions, you will receive a Life Membership in the Temple. That is a value of \$1,300 for bringing in 10 new Shriners to Almas.

Yours in the Faith,

Noble JD Holt

Mid Atlantic Association of Shrine Yacht Clubs

Greetings Nobles and Ladies. The summer break is over and it is time for our Yacht Club to get underway once again. Although we did not meet during the summer, there was still much activity going on. At the annual MASA meeting in Virginia Beach, the Yacht Club was awarded the Burroughs Trophy for their activity and participation in the MAAS-YC rendezvous. They were also awarded the coveted Evers Trophy for participation in MAASYC activities during the past year and also for their participation in the MASA parade. Almas Yacht Club has not been awarded the Evers Trophy since 2002.

Thanks to the hard work and dedication of Past Commodore Frank Ireton, our float was awarded first prize in the MASA Parade on Saturday morning. Thanks go out to all the Yacht Club members. Without their participation in the various activities, none of this would have been possible.

At the annual MAASYC meeting, PC and PP Fred Evans was elected as MAAS-YC Commodore for 2018-19. All this shows that you do not have to own a boat to bring back honors to Almas. We are looking for new members who would enjoy being with us and have some fun during our activities this year. The Yacht Club also congratulates the Motor Corps for their award winning performance at this year's MASA competition.

Fred Evans, PC, PP
Secretary

The Almas Transportation Fund is in need of a little boost. If you know of a friend or family member who has a birthday or some special occasion coming along, think of a donation in their honor. We will be very happy to receive this kind donation and acknowledge everyone for their generosity. Thank you in advance for helping the children of the Shrine Hospital system.

Chief Rabban Rambles On

As summer winds down and we approach fall it is time to think about elections and appointments for the 2019 Divan. I have been contacting and talking to Nobles about appointments. There are still several positions open in the Appointed Divan. If you are interested in stepping into Almas leadership, please contact me via e-mail, phone, or we can talk at the next meeting. A strong leadership team leads to strong Almas.

Coming off of the Mid-Atlantic Shrine Association annual meeting in Virginia Beach Almas can be proud of our showing this year. First, the election of Illustrious Sir Michael Gordon as MASA Third Vice President is a first step on the ladder to more for Illustrious Sir Michael.

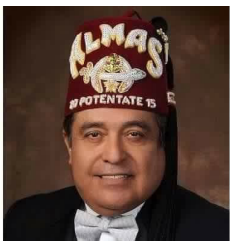

The Mini-Motors Unit had an outstanding competition bringing home first place for drill and obstacle course competitions and provided entertainment for Parade watchers. Not to be left out, the Almas Yacht Club won both the Evers Trophy and Burrows Trophy—second year in a row for the Burrows—for a sweep. And lastly, after five years of float competition and coming in second, Almas won first place in Yacht Club float entries. As a side note, MASA changed the temple categories this year and all temple, large or small, competed in all events at the same level.

I would like to thank the Nobles who stepped up to participate in the MASA parade. It is imperative to have a Colors Unit at the head or we are not judged on any of our entries. Parades are a fun part of our Shrine experience and bring visibility to the Shriners Hospitals and Almas. In addition to Imperial and MASA parades, Almas participates in several local parades. It is a fun way to get involved and support Almas. There will be several more opportunities to parade this year. Watch for announcements sent via the e-mail list—you are on the e-mail list, aren't you? If not, contact the temple office to be added to the list. See you at the next Business Meeting.

Yours in the Faith.

Almas Yacht Club

Almas Shriners Yacht Club participated at the Mid-Atlantic Shrine Association parade and won 1st Place for Best Float. Special thanks to Noble Frank Ireton for leading the float decoration team and the Nobles that helped Frank.

I would also like to mention the participation of the Almas Mini Motors and congratulate them for their 1st Place in Drill and Obstacle Course.

Congratulations to our own Illustrious Sir Fred Evans as the newly installed Commodore of the Mid-Atlantic Association of Shrine Yacht Clubs. The Change of Watch took place at the Double Tree Hotel in Virginia Beach with several members of Almas Yacht Club and the participation of Yacht Clubs from Kena, Crescent, Khedive, LuLu and others.

Please save the date of Saturday, January 26, 2019 for our next Commodores Ball in Annapolis. MD. MWB Jessie Villarreal and the Almas Yacht Club will install their Bridge Officers.

Northwest-Bethesda Chevy Chase Shrine Club

The NW-BCC Shrine Club is open to all. The NW-BCC Shrine Club holds its meetings at the Knights of Columbus Hall off Forest Glen Road. The address is: 5707 Rosensteel Avenue, Silver Spring, MD 20910. We have monthly dinner meetings at \$25.00 a person, which includes hor d'oeuvres, beverages, salad, a main course and dessert. What more can one ask!

Twice a year we hold our meetings at the Old Europe Restaurant in Washington, DC. If you are interested in attending or need additional information, call the Secretary Walter Simon at 301-318-2485. We meet on the fourth Wednesday on the month, except in March as we have our Bull and Oyster Roast that month.

We do not meet in November as it's too close to Thanksgiving and instead we have a Holiday party on the first Monday of December. We do not meet in July or August unless it's to have a social meal at the Old Europe Restaurant. Our next meeting will be on October 14 at the Old Europe in DC. If you would like to attend, call the Secretary, Walter Simon at 301-318-2485 and leave a message if the phone is not answered.

At our meetings all are welcome including significant others.

We are still looking for a few young men who do not mind acting crazy

We still are looking for your help with parades. We have a big red fire engine that we use in most of the local parades. The Cherry Blossom Parade will be the next big one in March of next year. We participate in smaller parades like the Chinese New Year Parade in China Town. In July we will be in the National Fourth of July parade on Constitution Ave.

We need you to show your inner and outer selves and make kids and adults smile at the Parades. Most kids and adults love to have pictures taken with the Klowns. Women and Children also can take part in Local and National parades. So put on your funny costume and come and join us.

You do not need to become a member of the Klown Unit; all we are asking for is several days of your time devoted to having fun and making people laugh. The funnier you look, the better time you will have with the crowds.

If you wish to join us in any local or national parade, call the Boss Klown, Walter Simon at 301-318-2485 and let him know your intentions.

THE MEANING OF THE FLAG-DRAPED COFFIN

Here is how to understand the flag that laid upon it and is surrendered to so many widows and widowers: Do you know that at military funerals, the 21 gun salute stands for the sum of the numbers in the year 1776?

Have you ever noticed that the honor guard pays meticulous attention to correctly folding the United States of America Flag 13 times? You probably thought it was to symbolize the original 13 colonies, but we learn something new every day!

The 1st fold of the flag is a symbol of life. The 2nd fold is a symbol of the belief in eternal life. The 3rd fold is made in honor and remembrance of the veterans departing the ranks who gave a portion of their lives for defense of the country to attain peace throughout the world. The 4th fold represents the weaker nature, for as American citizens trusting in God, it is to Him we turn in times of peace as well as

in times of war for His divine guidance.

The 5th fold is a tribute to the country, for in the words of Steven Decatur, "Our Country, in dealing with other countries, may she always be right; but it is still our country, right or wrong." The 6th fold is for where people's hearts lie. It is with their heart that they pledge allegiance to the flag of the United States of America and to the Republic for which it stands, one Nation under God, indivisible, with Liberty and Justice for all. The 7th fold is a tribute to its Armed Forces, for it is through the Armed Forces that they protect their country and their flag against all her enemies, whether they be found within or without the boundaries of their republic.

The 8th fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day. The 9th fold is a tribute to womanhood and mothers. For it has been through their faith, their love, loyalty and devotion that the character of men and women who have made this country great has been molded. The 10th fold is a tribute to the father, for he, too has given his sons and daughters for the defense of their country since they were first born.

The 11th fold represents the lower portion of the seal of King David and King Solomon and glorifies in the Hebrews eyes, the God of Abraham, Isaac and Jacob. The 12th fold represents an emblem of eternity and glorifies, in the Christians' eyes, God the Father, the Son and Holy Spirit. The 13th fold, or when the flag is completely folded, the stars are uppermost reminding them of their Nation's Motto, "In God We Trust".

After the flag is completely folded and tucked in, it takes on the appearance of a cocked hat, ever reminding us of the soldiers who served under General George Washington and the Sailors and Marines who served under Captain John Paul Jones, who were followed by their comrades and shipmates in the Armed Forces of the United States, preserving for them the rights, privileges and freedoms they enjoy today. There are some traditions and ways of doing things that have deep meaning. In the future, you'll see flags folded and now you will know why.

The Almas Yacht Club Presents the

2018 White House Holiday Ornament

This year's ornament is designed to illustrate three significant changes made by President Truman during his administration, one to the Presidential Seal and two to the White House itself. One side of the ornament features his celebrated Truman Balcony, added in 1947-48 to the South Portico and the other side features his renovated Blue Room, which was dismantled and rebuilt during the renovation of 1948-52.

The Presidential Seal featured at the top of the ornament reflects the design as changed by Truman. Originally the American eagle looked toward its left talons, which holds a cluster of spears, weapons of war. Truman, in the autumn after he took office, had the seal redesigned, turning the eagle's head away from the spears to its right talons, which holds the olive branches of peace.

Contact Ill. Sir Fred at 301-460-1982 to order your ornaments

Cost is \$20.00

Daughters of the Nile

We did it. We had our visit from the Supreme Queen in August and I am so pleased with all the work that everyone did to make this a wonderful day for everyone, especially Supreme Queen Shirley A. Hanley. You all worked so very hard to make this special not only for the Supreme Queen but our new Princess as well. Thank you to the Banquet committee led by Past Queen Virginia Schweitzer. A terrific job was done by you and all your committee members. The programs were beautiful. The table decorations were awesome and the food delicious.

The Ladies of the Household did a superb job in the ceremonial. Thank you all for all your work studying your parts and showing the Supreme Queen that we are willing to work and bring in new members for the good of the Daughters of the Nile, working to help support the Shriners Hospitals for Children.

After all that I took two weeks off and escaped to the beach with the family to include children, grandchildren and great grandchildren. What a fun time we all had.

At our September Session we read four new petitions for new members. Two of the petitions came from the Open House that Almas Shriners held in June and Princess Ingrid had two more petitions. These petitions will be voted on at the October Session on October 4th. So we are growing, Ladies! There was also discussion about a practice sessions for our ritual work. If you are interested, contact Princess Royal, Josephine Foley for more details.

This month on the 20th is the Quarter Auction put together by Princes Badoura, Sue Kohn. It is being held at Davis Hall in College Park at 2:45 pm. See the ad on page 13 for all the details and join us for a fun afternoon. Is you have anything to donate to the auction please contact Princess Sue or bring it to the session on October 4th.

On a sad note we lost one of our beloved Past Queens this summer. Past Queen Thelma Barmack passed away in August and I know that we all will miss her lovely smiling face. Please keep Princess Michelle, Thelma's daughter and Princess Holly, Thelma's daughter in law and the whole family in your prayers.

With Lots of Nile Love

Teamwork: Together Everyone Achieves More

Scott Kozin, M.D., chief of staff of Shriners Hospitals for Children® — Philadelphia, loves to tell the story of two, four, six, eight.

At 2 years old, Zion developed a serious infection that required his hands and feet to be amputated. At 4 years old, he received a kidney transplant; the donor was his mother, Pattie. Zion was taking anti-rejection drugs to keep his new kidney functioning. At age 6, Zion came to Shriners Hospitals for Children — Philadelphia for new prosthetic legs.

The evaluation of Zion's lower extremities prior to his receiving those first prosthetics from Shriners Hospitals was the impetus that led to his hand transplantation. The idea to give Zion hands was possible because he met the prerequisite of already being a transplant recipient and successfully taking immunosuppressant medications.

History-Making Surgery

At 8 years old, Zion received the first bilateral pediatric hand transplantation at the Children's Hospital of Philadelphia along with help from Penn Medicine, Gift of Life and hand surgeons from our Philadelphia hospital, Dr. Kozin and Dan Zlotolow, M.D. During the 11-hour procedure, four teams of physicians worked to transplant the hands from the donor to Zion. The procedure required bone fixation, artery and venous anastomosis along with nerve and tendon reconstruction. The surgery was successful.

"The collaboration between these institutions was necessary to assemble the team and organize the players to orchestrate such a complex and demanding procedure that had never been performed on a child," said Dr. Kozin.

Becoming Independent

Zion is now three years post-hand transplant surgery.

Now 11 years old, he is a happy pre-teen and learning to be independent. He enjoys cooking and sports. "Zion is so comfortable living his normal life," said Pattie. "He enjoys playing laser tag with his friends, boxing, and is attending robotics camp this summer."

Zion continues to have occupational and physical therapy in his hometown. His mom couldn't be more happy with his progress. As Zion continues to grow and get taller, Pattie will bring him back to the Philadelphia Shriners Hospitals for Children

to be fitted for a new set of prosthetic legs. In the meantime, she is delighted that Zion is becoming more independent every day at home, at play, and at school.

More on our Physicians

Scott Kozin, M.D., is the chief of staff of Shriners Hospitals for Children — Philadelphia and is board certified by the American Board of Orthopaedic Surgery. He received an undergraduate degree in computer science from Duke University and earned a medical degree from Hahnemann University School of Medicine. Dr. Kozin completed his residencies in orthopaedic surgery at Albert Einstein Medical Center and Shriners Hospitals for Children — Philadelphia. He also completed a fellowship in hand and microvascular surgery at Mayo Clinic in Rochester, Minnesota.

Dan A. Zlotolow, M.D., is a board certified orthopaedic hand surgeon for Shriners Hospitals for Children — Philadelphia. He received an undergraduate degree with honors in biology from Haverford College and earned a medical degree from the University of Pittsburgh School of Medicine with early induction into the Alpha Omega Alpha Medical Honor Society. Dr. Zlotolow completed his residency in orthopaedics at the Montefiore Medical Center in New York and hand fellowship at the Roosevelt Hospital in New York and the Texas Scottish Rite Hospital for Children in Dallas.
